This is a special clinic for special youth and young adults that need a smaller and more hands on experience at fishing. The Nebraska Walleye Association Kids Fishing Clinics Charity, Inc. puts these clinics on all over the state of Nebraska. This year we are partnering with Autism Family Network Lincoln. We've made this clinic smaller in size to give special youth and young adults a chance to tryout fishing. No rods or reels are needed. We will provide hot dogs, chips and drink for meal. Fishing is Fun! will provide instructional training, fishing gear, bait and assistance with fishing. All that you need are your children and a lawn chair. Brothers and sisters are welcome but please sign them up at the same time. We will check the kids in starting at 11:30 AM at HOLMES LAKE SHELTER #1. Clinic will start at noon.
