LPS Families,

Lincoln Public Schools continues to evaluate its meal program in an effort to maintain the safety of our community and make sure more children are able to access healthy meals. Based on current restrictions in place by the City of Lincoln, the following changes are being made to the grab-and-go meals provided at schools starting Monday, March 30.

- Four more LPS sites have been added, bringing the total number of sites to 12.
- More meals are being prepared for each location.
- Distribution will now be weekly on Mondays from 11 a.m. to 12:30 p.m.
- Drive-thru sites are being set up at each location and families are strongly encouraged to stay in their vehicles and pick up the child meals in the drive-thru lane.
- To keep everyone safe, please follow LPS staff directions and signage.
- Please obey all traffic laws and do not block the regular flow of traffic, driveways or arterial streets surrounding schools.
- The sites will open at 11 a.m. and vehicle lines will not be allowed to form more than five minutes prior to opening.
- There is a walk-up area available for families who do not have a vehicle, but long lines will not be allowed. Please follow the directions from LPS staff. Cones will be set to promote proper line spacing.
- Each child will continue to receive five breakfasts and five lunch meals.
- The meals are for children only, and all children 18 and younger are eligible for meals.
- Children must now be present to receive the meals.
- Meals are also available to persons with disabilities, ages 18 to 21, who participate in LPS programs. They must also be present to receive the meals.

Meals will be distributed weekly on Mondays from 11 a.m. to 12:30 p.m. at the following LPS locations:

- Belmont Elementary School: Vehicles enter near the swimming pool at 12th and Manatt streets and follow staff directions to Door 36 near Educare.
- Arnold Elementary School: Vehicles enter the driveway on the north side of the school on W. Cumming Street and follow directions to Door 10.
