Peru State's **Council for Exceptional Children Club** is hosting a youth sports camp for children with disabilities. This camp, made possible by the Snyder Cultural Understanding Endowed Fund, will allow children with disabilities the opportunity to work on student leadership, teamwork, and basic sports skills side by side with Peru State Athletes.

Participants can choose to take part in basketball or cheerleading related activities. After spending a day working on their skills, children will be asked to put their skills to the test in a basketball match up against parents, students, and faculty volunteers! All cheerleading participants will cheer on their fellow peers during the game and perform at halftime! All children with disabilities, grades 4-8 are invited to participate. Participants will receive a t-shirt and medal!

To sign up, please fill out the application form below. Applications are due on or before November 2. All questions should be directed to Dr. Felicity Balluch at fballuch@peru.edu or 402-872-2423.
