LINCOLN PUBLIC SCHOOLS

2020-2021 The Career Academy Student Tuition Assistance Application

The Career Academy (TCA) Student Tuition Assistance Fund was established in 2015 by community and individual donors. The fund will provide tuition assistance for students enrolled at TCA. TCA provides quality career-focused programs that prepare students for continued education and employment that contributes to the economic growth of their community.

The fund will provide tuition assistance to a student:

- Enrolled and in good standing at TCA
- Whose potential need is within 250% of the Federal Poverty Guidelines -- see chart below
- Whose parent/guardian is employed by Duncan Aviation
- **Who does not qualify for Free and Reduced Meal Program, Access College Early (ACE) or the Learn to Dream Scholarship**
- All things being the same, preference will be given based on level of financial need

Committee: The scholarship recipient is selected by the Foundation for Lincoln Public Schools with recommendations from The Career Academy Student Tuition Assistance Committee.

Payment: Tuition assistance is paid each semester based on student enrollment and good standing. Verification provided by The Career Academy.

Applications are due Monday, August 31, 4 PM

Submit applications ONLINE at Ips.org, using the Jump Code: OOVV

If you have questions or concerns, please contact your counselor at The Career Academy, 402.325.4700 or the Foundation for Lincoln Public Schools, 402.436.1612
