Overview

Students have the opportunity toward being a Certified Nursing Assistant to explore careers in health care and work (CNA) or Emergency Medical Technician (EMT). Practice with hands-on training in a simulated setting and focus on learning concepts essential for pursuing a career in the health industry.

Student Experience & Projects

A variety of activities will enrich the classroom training, including health oriented activities such as community service events, blood drive, fire and rescue activities, senior center health screenings, service learning projects, HOSA competitions, job shadows, athletic trainer assistance, summer health camps, internships, and health industry career fairs.

Field Trips

- SCC Surgical Technology Simulation Lab– Bryan Medical Center West
- SCC Medical Laboratory Technology
- SCC Respiratory Care
- Bryan College of Health Sciences Plastinates & Cadaver Lab

15.5/20.5

Dual Credits: Earn up to 15 (EMT) or 20.5 (CNA) SCC credits.
